

Annual Report 2019

Rescuing & Transforming Vulnerable Children & Women in India

About RN

Roshni Nilaya is a registered Public Charitable Trust which was founded in the year 2017. We are committed to rescue and transform the lives of vulnerable children and women. We run After Care Program and Child Care Institutions in the State of Tamilnadu to provide Shelter, Food, Education, College Education Scholarships, Health Care and Clothing to the Children without family.

Vision

We envision a society where all vulnerable children and women are empowered and treated with respect and dignity.

Mission

The mission of Roshni Nilaya is to rescue vulnerable children and women to end the cycle of poverty, child abuse, child labor, child marriage and discriminations. We do this by:

- A. Providing shelter, food and education through Child Care Institution project for the children between 5 and 18.
- B. Giving college education scholarships through After Care Project for the CCI pass out.
- C. Establishing Skill Development Center for providing livelihood, upliftment empowerment of the women and the poor.
- D. Setting up community centers for free tuition, nutritious meal, promoting cultural activities and care.
- E. Educating rural and migrated children through residential school and mobile school.

Values

- Morality** : It is our belief that a person is to be honest in all matters of life. A person is to honor all promises and vows made.
- Sanctity of Life** : We value human life for we believe that all life is generated from and sustained by our Creator; therefore, life is a precious gift from God and to be respected by all.
- Team Work** : We value working together as a team, not simply as individuals, towards achieving our mission and realizing our vision.
- Service** : Founded on putting the interests of others above our own through selfless commitment.

The last year has been a year of putting some systems in place. Roshni Nilaya has taken a more organized and planned form. We are very pleased to have 12AA registration under Income Tax Act, 1961 and 80G Approval too. FCRA prior permission is in the process.

I would like to take this opportunity to thank Mr. Paul Hallam and Mrs. Mags Hallam for believing in us and joining hands in our mission to rescue and transform the lives of vulnerable children and women. And special thanks to Bishop. Dr. Jenson Jebaraj (President, Bethany Fellowship Ministries) for playing vital role in setting up RN and giving us office space to work from.

We had fruitful year by rescuing five children from begging and who are orphans and abandoned in the last year. We also provided college education scholarships for four young girls who passed out from one of our partner run Children's Home. And we had taken all children from Bethany Children's Home for three days retreat to Cochin, Kerala and sponsored the Christmas celebration event by getting them new dress and special dinner.

I would like to extend sincere gratitude towards Mr. Solomon Daniel & Mr. Samson Arthur Paul for acceptance to be in the board and also Mr. Rajkumar & Mrs. Vijaya Revathi for volunteering in the administration.

With your support and encouragement we hope to continue to work towards long-term and sustained impact on the lives of underprivileged of our country.

College Education Scholarships

Roshni Nilaya runs After Care Program for children/youth without family who leave Children's Home after they attain 18 years of age. We are devoted to make them self reliant by providing college/technical education, shelter, food and stipend. Our parental care and support is extended until they get employment. At present, we help 4 girls through After Care.
